

It's a New Year and time to fill out a new 2010 Quantum LEAP Master Registration Form and Optional Form. You will not be able to participate in Quantum LEAP activities without completing the Master Registration Form in its entirety. Even if you don't participate in any of the January/February, 2010 activities, please complete and return the enclosed Master Registration Form (you can complete the Optional Form on the back if you choose).

Thanks for your cooperation in making Quantum LEAP a success.
