About LEAP

Linking Employment, Abilities and Potential (LEAP) is an agent of positive change, working to advance participation and equality in society for people with disabilities in Northeast Ohio. Founded more than 35 years ago by people with disabilities, LEAP serves over 1,500 individuals annually, and works to promote social change to enhance their quality of life. Through a comprehensive array of services, LEAP assists people with disabilities in living independently in their own homes,

participating in community life, and finding and maintaining stable employment. To ensure delivery of effective services, the majority of staff and board members at LEAP are people with disabilities themselves.
